NIEIT

Empowering You to create a New World

About NIE Institute of Technology

NIE Institute of Technology, popularly known as NIEIT is situated in the world famous heritage city of Mysuru. It is situated around major industries such as BEML, Infosys and L&T. NIEIT is spread over 25 acres of land in a lush green serene environment. It stands as a synonym to quality education. Affiliated to Visvesvaraya Technological University (VTU), Belagavi, approved by AICTE, New Delhi and recognized by Govt. of Karnataka.

The college has excellent infrastructure. The pride of institute lies in its possession of highly qualified and experienced faculty and staff members. The institution has three academic blocks to provide a perfect learning ambience. In order to make the students industry ready with learning skills it has well equipped laboratories. The class rooms are spacious and ventilated, supporting the green building concept. Sports activities are also nurtured to cater to the needs of students providing a balance between curricular and co-curricular activities.

Vision

NIEIT shall be a globally recognised institution producing competent professionals responsive to the technological needs of the society.

Programmes offered

Undergraduate Programmes - Bachelor of Engineering (B.E)

1. Computer Science & Engineering
2. Electronics & Communication Engineering
3. Electrical & Electronics Engineering
4. Information Science & Engineering
5. Mechanical Engineering

Research Programmes - M.Sc Engineering by Research/Ph.D

1. Electrical & Electronics Engineering
2. Mechanical Engineering
3. Mathematics

Faculty Qualification

10	**26**	**32**
Ph.D	pursuing Ph.D	M.Tech

NIEIT Clubs & Cells

Clubs

- NEON (NIEIT Entrepreneurship Oriented Network)
- Robotics

Cells

- Centre for Renewable Energy Technology (CRET)
- Industry Institute Partnership Cell (IIPC)

Placement

NIEIT has an excellent and fully functional Training and Placement Division. In 2019, 84 companies visited and the highest offer made was Rs.10 Lakhs and 80 percent students were recruited.

ORACLE · Infosys · TATA · hp · IBM

EY · Cerner · Capgemini · Cognizant · Mindtree Welcome to possible

PayPal

Internship

NIEIT is offering 70-80 % Internship programmes at major Industries, giving practical exposure and Industry know-how to the students while mainstreaming them at top organisations.

Infosys · ITC Limited · Cerner · THOUGHTFOCUS · unilog

ThoughtWorks · Lumos Learning Developed by Expert Teachers · hp · EPSILON · Informatica

Major Laboratories

- Machine Learning Lab
- Data Structures Lab
- Web Programming & Database Management System Lab
- Computer Graphics Lab
- Unix System Programming & Networks Lab
- Power Electronics Lab
- Microcontroller Lab
- Power System Simulation Lab
- High Voltage & Relay Lab
- Digital System Design Lab
- Digital Signal Processing Lab
- VLSI & HDL Lab
- Metal Testing & Metrology Lab
- Energy Conversion Lab
- Fluid Machines & Machinery Lab
- Heat & Mass Transfer Lab
- Machine tool & CNC Lab

Student Chapters / Associations

- EPICSE - Dept of CSE
- CRYPTECS - Dept of ECE
- e-SURGE - Dept of EEE
- INSPIRE - Dept of ISE
- Mechanical Engineers' Consortium (MEC)
- IEEE Student Chapter
- ISHRAE Student Chapter
- Computer Society of India
- ISSA

Library & Information Center

NIEIT Library has state of art digital library, Reference Section, Kannada Section, OPAC Search, Journals/ Magazines and Newspaper Section. Besides these, it has a separate collection of Kannada Books. The Library is running LIBSOFT for managing the Library and Web OPAC facility is also provided.

NIEIT Library is a member of VTU Consortium for E-Resources.

Student Housing

NIEIT has on campus hostel facility with all modern amenities. It has TV rooms, sports room, Doctor's clinic, medical and stationary Stores. It has 24×7 DG back up, hot water supply and kaveri water with RO facility.

GIRLS' HOSTEL

BOYS' HOSTEL

Facilities / Services

- Experienced & Dedicated Staff
- Well equipped laboratories
- Transport around the city
- Wi Fi enabled campus with 60 Mbps leased line
- Hostel facilities
- Doctor on campus
- In campus Bank ATM
- Well stocked library

Sports

NIEIT ensures students and staff members to be active, healthy, fit and enlightened individuals by offering a variety of sports, fitness and health programs. It educates and trains students and staff for physical fitness, health, and quality life through physical activity and a healthy lifestyle.

Currently, NIEIT stands at 16th Position in VTU rankings in sports and cultural activities. Many students are part of VTU sports team and have performed well at the university level.
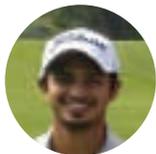

SRRA Station at NIEIT

NIEIT has pride in having one of the 15 State-wise Wind Monitoring Station funded by the National Institute of Wind Energy, MNRE. The station is equipped with state-of-art sensors for measuring solar radiation and associated weather parameters such as Global Horizontal Irradiance (GHI), Direct Normal Irradiance (DNI), Diffuse Horizontal Irradiance (DHI), Wind Speed and Direction, Ambient Temperature, Relative Humidity, Atmospheric Pressure and Rainfall. The Data is sampled at an interval of one second and averaged over a period of one minute. Average data is then transmitted through GPRS mode.

Our Achievers

Aalaap I L
CSE batch of 2010-2015

After completing his education, he resumed his amateur golf career full-time. Backed by the giant sponsor, OIL India Limited, in 2016, he worked his way to the top to play his first event in World Cup of Amateur Golf, representing India and also ranking 2nd among the amateur golfers. In 2018, he turned into a professional golfer and now tours all over India, competing in various professional tournaments.

Jayanth Mohan Krishna
CSE batch of 2010-2014

During his studies, he has completed many certifications like Oracle certified Java Programmer. He also co-founded a small-scale custom software development, technology consulting and training delivery start-up by the name DCsqurd. He has 5 years of working experience at Hewlett Packard India. He completed his Masters Degree at Georgia Tech in Atlanta. Currently he's working for Google as Solutions Consultant, IoT and Smart Homes in Mountain View, California.

Bharath Raj
EEE batch of 2011-2015

First Google Student Ambassador (GSA, year 2013). First student from EEE to get placed in IBM. Organized an App development workshop at NIEIT conducted by Google from across the Nation. Represented the College at University/ State level in multiple sports events. Professional musician (flutist), has performed at prestigious venues across the World.

Prafulla B G L
ISE batch of 2011-2015

After graduation, he co-founded searchroof.com, a broker free online portal in Mysuru, majorly focusing on home rentals, which makes it easier to find a home without paying a hefty brokerage. Searchroof has helped hundreds of people to get a rented house without any hassle, where one can shortlist the homes and have direct access to house owners without any brokers or middlemen.

Raunak Modi
ME batch of 2013-17

"The finest steel always passes through the hottest fire." He had dreams of starting a business firm after graduation and within 2 years since its inception, Global Earthmovers & Machineries managed to rake in more than 1Cr. in business turnover and revenues, providing support to many small business firms and construction firms. They have vendors not only in India but also in countries like china, South Korea etc.

Sumiya Afreen
ECE batch of 2014-2018

Received the British Council Scholarship to achieve Master's in Electronics with Professional Internship at Queen's University Belfast. Was one among 100 women selected across India for this scholarship. It offers women to study in some of the leading UK universities, work in world-class research environment and collaborate with international research teams.

The National Institute of Engineering

The National Institute of Engineering (NIE), one of the oldest private engineering colleges of the country was started in the year 1946 by three eminent engineers Sri S. Ramaswamy, Sri D.V. Narasimha Rao and Sri T. Rama Rao and has been a premiere institute for technical education in India since its establishment. It takes pride in producing some of the foremost thought leaders of the country with rich expertise and global know-how of the engineering field and industry. NIEIT started in 2008 is a part of NIE group of institutions. Both NIE and NIEIT are privileged to have the support and involvement of some of the distinguished thinkers and leaders of the Country. It is managed by ten Board of Directors consisting of eminent educationists & Industrialists and Alumni who have constantly strived to create these centres as a value-based and knowledge centred institutions.
